Commissioner for Patents**Information Disclosure Statement**

The information disclosure statement filed 8-6-2007 fails to comply with 37 CFR 1.97(d) because it lacks a proper statement as specified in 37 CFR 1.97(e). It is noted, that the originally filed IDS on 1-8-2007 lacked the required fee. At the time the 8-2-2007 IDS was filed it lacked the statement as specified in 37 CFR 1.97(e), and, moreover, based on the earlier filed statements, the documents listed in 8-2-2007 IDS could not be certified with the statement as specified in 37 CFR 1.97(e), since at that time the documents were known to the applicants for over 8 months based on the original certification filed on 1-3-2007. It has been placed in the application file, but the information referred to therein has not been considered.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Irina S. Zemel whose telephone number is (571)272-0577. The examiner can normally be reached on Monday-Friday 9-5.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, James Seidleck can be reached on (571)272-1078. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300. Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only.
